EdgeMarket Planned Procurements

To meet the diverse and growing needs of our members, Edge is constantly investigating and evaluating procurement opportunities.

When a procurement opportunity becomes a planned procurement, we will list it here. Each planned procurement has an Overview Page that provides a complete overview of the procurement, including what it is and why it's important.

If you are an Edge Member or an EdgeMarket Participant, please complete the associated Needs Survey for the procurements that are of interest to you.
