

Staff Augmentation

Last Modified on 03/19/2021 8:57 pm EDT

Provider: [Edge](#)

Technology staffing services to augment the skills of existing IT teams. Staffing services can meet a variety of needs across the technology spectrum, from implementation, to migrations, to troubleshooting, and more.

Typical Use Cases

- An institution needs to quickly bring in additional database administration resources to maintain current systems
- An institution needs additional engineering resources to prepare for a cloud migration
- An institution needs staff with specific expertise to quickly implement new systems or solutions
