

Project Management Training

Last Modified on 03/23/2021 7:35 pm EDT

Provider: [PMO Advisors](#)

Training classes and resources to develop the skills needed to successfully manage projects, programs, and portfolios. Trainings are offered in an onsite, live-virtual, or hybrid model to fit the needs of your organization.

Typical Use Cases

- An institution is planning to undertake a complex digital transformation project, and wishes to develop Project Management skills for a team member to oversee it.
- An institution's internal project management office is onboarding new hires or wishes to build out additional skills amongst its existing team.
