10Zig

Overview

10Zig

10ZiG Technology is a leading provider of endpoints for a Virtual Desktop Infrastructure environment. Our fast and reliable hardware is VMware, Citrix and Microsoft ready and designed to handle all ranges of usage - from task-based to sophisticated CAD/CAM users.

10ZiG prides itself in being one of the only companies whose sole focus is in Thin Clients and Zero Clients for VDI. This focus allows us to provide a truly unique level of personal service and customization that is a rare find in the industry. We offer a multitude of custom embedding options and hardware configurations to ensure our devices are tailor-made to fit seamlessly into the environments of our customers.

10ZiG has a technical support team local to your region, complimentary 30-day evaluation devices, a 100% free enterprise-class management console, fully customizable solutions and an unrivaled product warranty with no registration required.

The long-standing partnerships 10ZiG has with industry leaders such as VMware, Citrix and Microsoft are all with the aim of providing the best performance possible by supporting the full feature sets of acceleration protocols such as HDX, HDX Premium, HDX 3D Pro, PCoIP, Blast Extreme and RDP. 10ZiG offers traditional dual, triple and quad Thin Clients and Zero Clients, including the widest range of TERA2-based PCoIP devices on the market..

Our units come with a variety of OS options, including NOS™ (Zero), PeakOS™ (Linux), Windows Embedded Standard 7 (WES7), Windows Embedded 8 Standard (WE8S) and Windows 10 IoT.

Adobe Systems Inc

Overview

Adobe Systems Inc

Adobe tools empower students to think creatively and communicate expressively, so they can turn their classroom ideas into college and career opportunities.

Amazon Web Services

Overview

Amazon Web Services

Amazon Web Services (AWS) Worldwide Public Sector helps government, education, and nonprofit customers deploy cloud services to reduce costs, drive efficiencies, and increase innovation across the globe. With AWS, you only pay for

what you use, with no up-front physical infrastructure expenses or long-term commitments.

EdgeMarket Solutions

CampusWorks

CampusWorks

Overview

CampusWorks, Inc.

Founded in 1999, CampusWorks has become a trusted partner of countless colleges and universities across the United States and Canada. Serving higher education exclusively, CampusWorks has a deep understanding of and appreciation for institutions' mission, vision, and values as well as the business and technical challenges they are facing. CampusWorks believes that student success should be at the heart of every decision, so the firm does not partner with any software or hardware vendors. Thanks to this independence, institutions know they can count on CampusWorks to listen to their needs, provide unbiased insights into their organizational challenges, and develop tailored solutions with their best interests in mind.

EdgeMarket Solutions

Electric Symphony Media

Overview

Electric Symphony Media

ESM is a media partner that helps brands and agencies uncover unique value in marketing investments. We believe the most successful media campaigns interweave the art of past experience with the science of data analytics. ESM offers end to end media planning, activation, and reporting services. The agency's tech stack provides a connective thread across all channels, but as a team we emphasize the importance human experience plays in predicting outcomes. Whether it's traditional, digital, or emerging media, the knowledge ESM has gained from running campaigns that are large, small, geographically diverse, with different KPIs, goals, and assets gives us a strong library of learnings to apply to future activity.
