

# How EdgeMarket RFPs Produce EdgeMarket Contracts

Last Modified on 05/31/2023 4:27 pm EDT

## Introduction

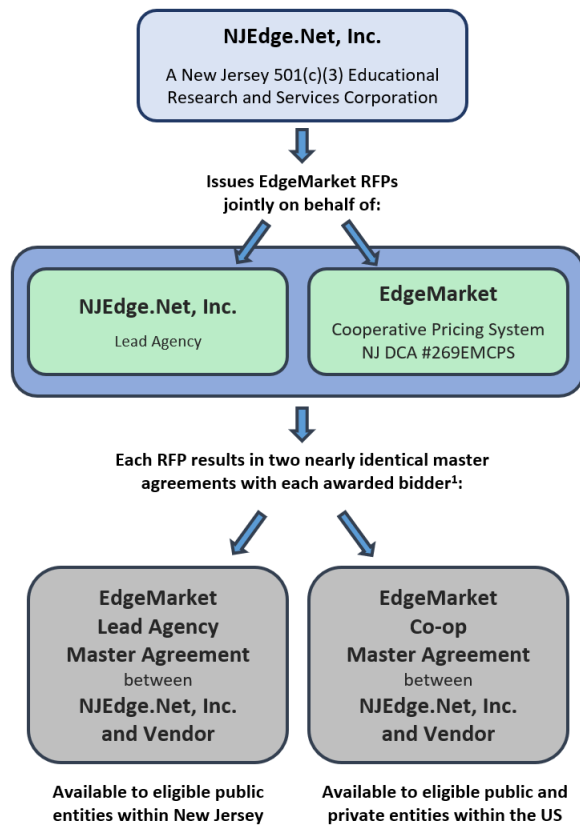

Edge issues RFPs that lead to cost-effective contract vehicles that provide essential technologies and services to our Edge members New Jersey and our EdgeMarket co-op participants across the country.

To accomplish this, Edge (NJEdge.Net, Inc.) follows the basic process shown in the diagram below:

## EdgeMarket Master Agreements Prior to May 2023

Most EdgeMarket master agreements prior to May of 2023 following the process in the diagram below, resulting in two masters:

<sup>1</sup> In May 2023, Edge consolidated the master agreements into one single master.
