Members-Only Access

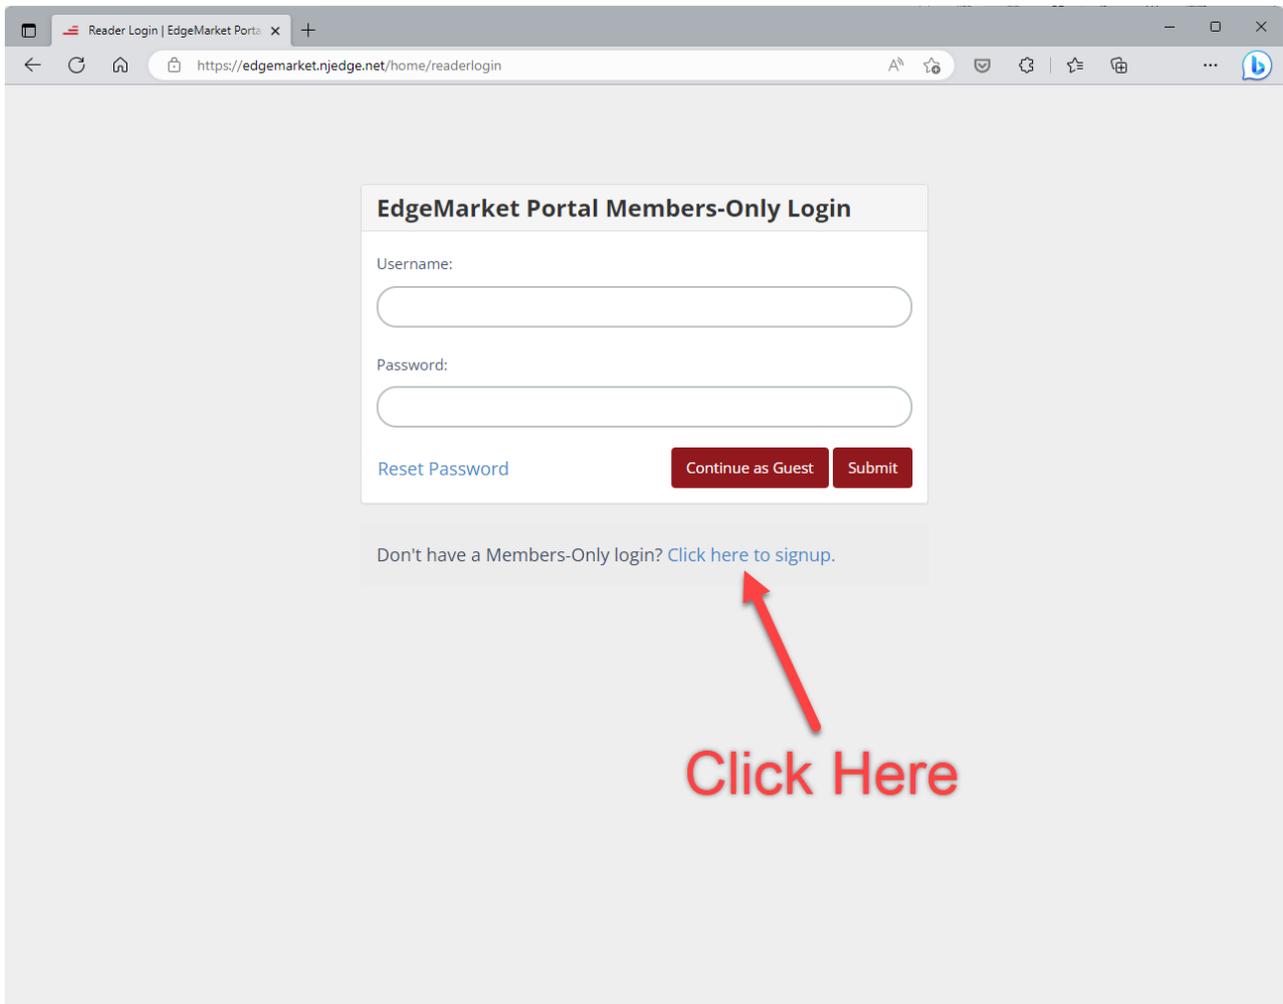

While most of the information and resources in the EdgeMarket Portal are openly available, some items - such as contract documents - are reserved for Edge members and EdgeMarket participants.

Vendors and commercial entities are not eligible for Members-Only Access.

To request a Member login, follow the steps show below.

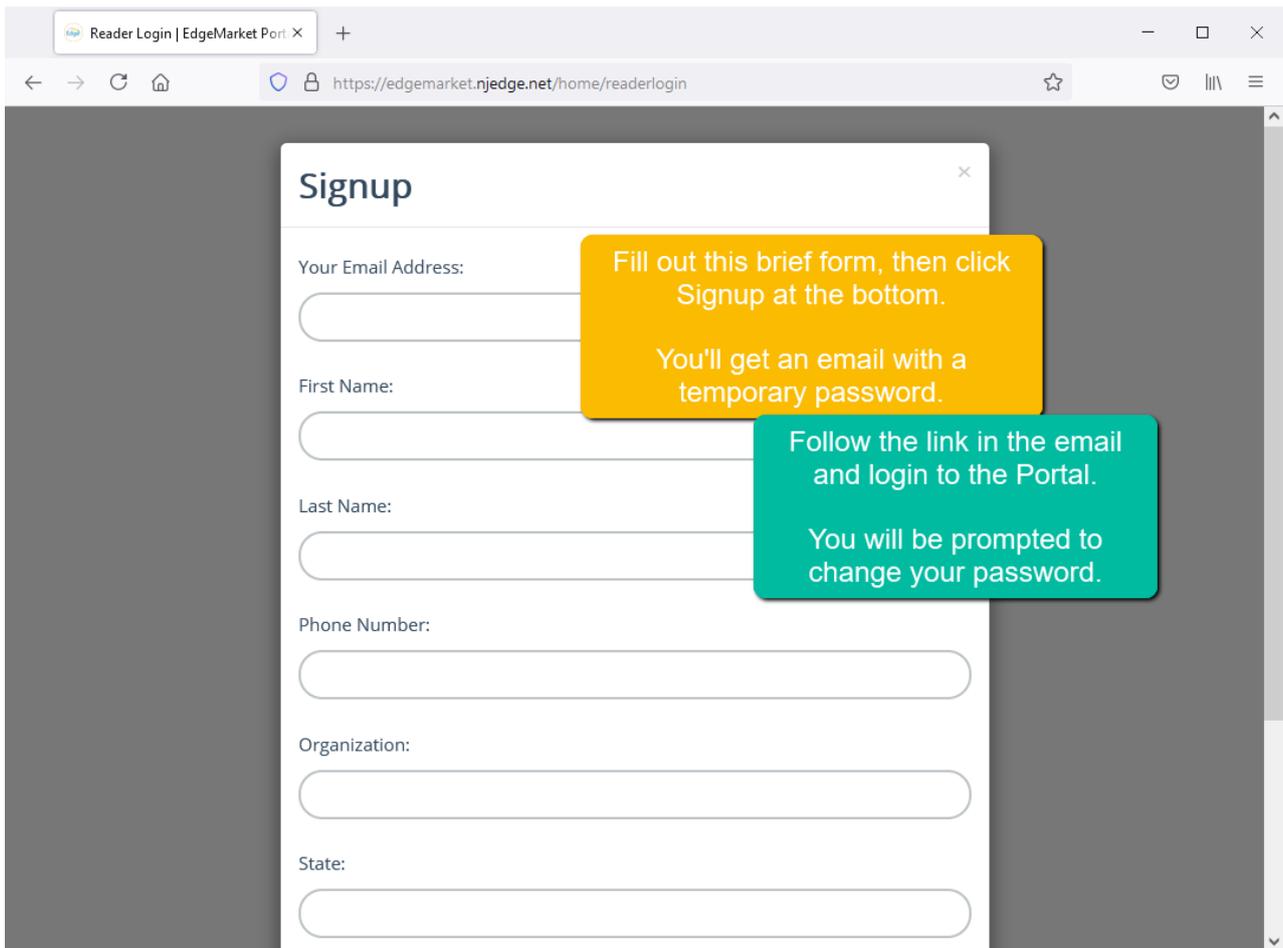

Step 1: Go to the [EdgeMarket Portal Login](#) page.

Step 2: Follow the link to sign up, as shown below:

The screenshot shows a web browser window with the URL <https://edgemarket.njedge.net/home/readerlogin>. The page title is "Reader Login | EdgeMarket Portal". The main content is a login form titled "EdgeMarket Portal Members-Only Login". The form contains two input fields: "Username:" and "Password:". Below the password field is a link "Reset Password". To the right of the form are two buttons: "Continue as Guest" and "Submit". Below the form, there is a text prompt: "Don't have a Members-Only login? [Click here to signup.](#)". A red arrow points from the text "Click Here" (written in large red font below the arrow) to the "Click here to signup." link.

Step 3: Complete the signup form.

Step 4: If your request is approved, you will receive an email invitation. This should arrive in one business day or less.

Follow the reader login link and use the temporary password to log in. You will be prompted to change your password.
