

EAB Edify

Last Modified on 01/28/2022 10:55 pm EST

Solution: EAB Edify

Provider: [EAB Global, Inc.](#)

Aggregate, integrate, and unlock the value of data from all your systems in a central, customizable platform built for higher education.

EdgeMarket Contract Highlights

The EdgeMarket contract includes discounted pricing and favorable terms for our Edge members and EdgeMarket participants for the following EAB solutions:

- **Edify Technology** - The Edify Technology is comprised of a comprehensive data integration, data governance, and data warehousing technology in a secure, extensible, and cloud-based format that supports users and managers of data and technology applications at higher education institutions.
- **Edify Professional Services** - An Edify partnership can include a wide ranging set of professional services that support the implementation, ongoing use, and value delivery of the Edify Technology, including but not limited to technical integration services, analytics and data science, data advisory services, and pre-scoped analytics and technical accelerators.
