

ITSM Platform and Ticketing System

Last Modified on 07/18/2022 8:20 pm EDT

Provider: [TeamDynamix](#)

TeamDynamix brings IT service management/enterprise service management and project portfolio management together on one platform. The solution is easy to use, own, and operate – offering high flexibility & configuration without any coding or scripting. Use all of it, or part of it – depending upon your needs. Take work management to the next level with Integration as a Platform; connect to systems that you use every day with a visual flow builder.
