Marketsmith Inc. is one of the largest independent, woman-owned agencies of its kind and is among the nation's fastest-growing integrated marketing agencies. Headquartered in Morris County, New Jersey, for over 20 years, the full-service firm offers marketing, media, creative and data solutions. Marketsmith has built its reputation and business on its patented analytics software — predicting outcomes with 94% accuracy — and human ingenuity. LGBT- and WBENC-certified, the firm “makes challenger brands champions.”
