## Overview

### [Kaltura](#)

Kaltura's mission is to power any video experience for any organization. Our Video Experience Cloud offers live, real-time, and on-demand video products for enterprises of all industries, as well as specialized industry solutions, currently for educational institutions and for media and telecom companies. Underlying our products and solutions is a broad set of Media Services that are also used by other cloud platforms and companies to power video experiences and workflows for their own products. Kaltura's Video Experience Cloud is used by leading brands reaching millions of users, at home, at school and at work, for events, communication, collaboration, training, marketing, sales, customer care, teaching, learning, and entertainment experiences.
