Slalom, Inc.

Slalom is a global, purpose-led consulting company specializing in strategy, technology, and transformation. Founded in 2001, Slalom has grown to serve customers in 40 local markets across the US and internationally, with over 13,000 employees across the world.

Our purpose — to help people and organizations dream bigger, move faster, and build better tomorrows for all — guides everything we do. Our north star is our vision of a world in which each person has the opportunity to love their life and work.

Slalom has been serving the Public Sector for over 18 years. Our experts bring commercial best practices paired with government, education, and philanthropic expertise. In the last two years, our public sector business has grown over 100%.
