IT Pro - ISG Public Sector

Last Modified on 08/20/2026 7:27 pm EDT

ISG Public Sector

Founded in 2006, ISG (Information Services Group) (Nasdaq: III) is a leading global technology research and independent advisory firm serving over 900 global clients per year, including more than 75 of the top 100 enterprises in the world.

We partner with corporations, public sector organizations, higher education institutions, and service and technology providers to help ISG's clients achieve their organizational goals, maintain operational excellence, and experience faster growth. Our consultants and professionals specialize in digital transformation services, including cybersecurity, automation, cloud, and data analytics; sourcing advisory; managed governance and risk services; network carrier services; strategy and operations design; change management; market intelligence and technology research and analysis.
