

IT Pro - Trigyn Technologies

Last Modified on 12/12/2023 8:48 pm EST

Trigyn Technologies Inc

Trigyn is a New Jersey based company with its headquarters in Edison. Trigyn provides IT Services, including Solutions, System Integration, and Consulting Services to educational institutions, State and Local Governments, Healthcare, and Not-For-Profit Entities. Clients like these represent more than 90% of our overall business.

Trigyn has been in business for 36 years and has been supplying government and private sector clients throughout the New Jersey and New York region with high-quality IT Professional Services, like those being sought through this solicitation, since our inception.
