

IT Pro - New Era Technology

Last Modified on 07/03/2024 8:12 pm EDT

New Era Technology, Inc.

New Era Technology, a global provider of technology solutions and services. Our vision, as a global organization, is to "Deliver Technology Solutions that Securely Connect People, Places and Information in a Rapidly Changing Digital World." We believe this vision aligns well with the Edge's member owned consortium of Educational (K-12 and Higher Ed), Government, Healthcare and Not-for-Profit constituents.

As a leading technology provider with thousands of clients in multiple business segments, New Era Technology recognizes and acts to deliver IT and data services, which all modern organizations are clearly dependent upon, with a complete commitment to reliability, availability, and smooth operations.
