

EdgeMarket is Proud to Partner with AAC&U

The American Association of Colleges and Universities (AAC&U) is a global membership organization dedicated to advancing the democratic purposes of higher education by promoting equity, innovation, and excellence in liberal education. Through its programs and events, publications and research, public advocacy, and campus-based projects, AAC&U serves as a catalyst and facilitator for innovations that improve educational quality and equity and that support the success of all students.

In addition to accredited public and private, two-year and four-year colleges and universities, and state higher education systems and agencies throughout the United States, AAC&U's membership includes degree-granting higher education institutions around the world as well as other organizations and individuals.
