EdgeMarket Contract Highlights

The EdgeMarket contract includes discounted pricing and favorable terms for our Edge members and EdgeMarket participants for the following PeopleGrove solutions:

- **Student Success & Alumni Community Platform**

Leverage PeopleGrove's Student Success Suite to support student's career aspirations and increase retention.

PeopleGrove solutions are proven to help students find fit and belonging, feel confidence in their degree, and connect classroom learning to field experience and a professional network for their ultimate success.

Facilitate and increase alumni engagement, volunteerism and donor pipeline.

PeopleGrove puts colleges and universities on a clear path to increasing alumni participation and giving through robust communities. All from one alumni engagement platform, institutions can support their alumni and maximize their outreach.

- **PathwayU Career Assessment**

Guide Students to Purpose & Meaning

PathwayU by PeopleGrove leverages predictive science to guide students in aligning their passions and purpose, enhancing degree completion and career success. As an educational and career planning resource, we optimize career pathways to boost student persistence, GPA, graduation rates, and job placement.

- **Experiential Learning**

Leverage evidence-based initiatives and technology for life-changing student experiences.

PeopleGrove's Experiential Learning solution centralizes experiential learning opportunities, provides structures to embed experiential education in the curriculum, connects underserved students with opportunities, and delivers a robust data infrastructure to analyze disaggregated participation and learning outcomes data.

- **Formal Mentoring Program**

Tools to match individual users with mentors and track program success at scale.

PeopleGrove Formal Programs allows administrators to bulk match users based on a customized matching algorithm, set goals/tasks for mentor pairs and individuals, bulk message and survey participants as well as provide resources such as training which can be linked to goals and tasks.
