Overview

EdgeMarket is soliciting proposals from qualified vendors to provide technological resources, i.e., qualified persons with subject matter skills as described in this RFP, to supplement and support Edge Members and Participants' internal resources by supplying temporary supplemental staff resources to assist in both projects and operational initiatives and programs. This includes, but is not limited to, system renovations, replacement and development, infrastructure upgrades, technology optimization, application enhancements and maintenance, routine operational activities, training, and implementation of new systems, services, and technologies. This procurement also includes the placement of full-time permanent IT Staffing (Direct Hire Placement).

Successful bidders will be offered a master purchasing agreement and inclusion as an awarded vendor in the EdgeMarket Cooperative Pricing System marketplace. This is an omnibus procurement where there may be multiple awards.
