## Status

Open

## Overview

EdgeMarket is soliciting proposals from qualified vendors to provide a cloud-based Single Sign-On (SSO) and/or comprehensive Identity and Access Management (IAM) solution. This procurement aims to serve EdgeMarket's diverse membership, including K-12 schools, higher education institutions, state and local government entities, and research organizations. The solution will enable contracting members and participants to streamline user authentication, enhance security, centralize access control, and enable efficient identity management across decentralized environments.

Successful bidders will be offered a master purchasing agreement and inclusion as an awarded vendor in the EdgeMarket Cooperative Pricing System marketplace. This is an omnibus procurement where there may be multiple awards.
