Members-Only Access

While most of the information and resources in the EdgeMarket Portal are openly available, some items - such as contract documents - are reserved for Edge members and EdgeMarket participants.

Vendors and commercial entities are not eligible for Members-Only Access.

To request a Member login, follow the steps show below.

Step 1: Go to the [EdgeMarket Portal Login](#) page.

Step 2: Follow the link to sign up, as shown below:

The screenshot displays a web browser window with the URL <https://edgemarket.njedge.net/home/readerlogin>. The page title is "Reader Login | EdgeMarket Portal". The main content area features a login form titled "EdgeMarket Portal Members-Only Login". The form includes two input fields: "Username:" and "Password:". Below the password field is a link for "Reset Password". At the bottom of the form are two buttons: "Continue as Guest" and "Submit". Below the form, there is a text prompt: "Don't have a Members-Only login? [Click here to signup.](#)". A red arrow points from the text "Click Here" (written in large red font below the arrow) to the "Click here to signup." link.

Step 3: Complete the signup form.

The image shows a web browser window with the address bar displaying "https://edgemarket.njedge.net/home/readerlogin". The page title is "Reader Login | EdgeMarket Port...". The main content is a "Signup" form with the following fields: "Your Email Address:", "First Name:", "Last Name:", "Phone Number:", "Organization:", and "State:". Each field has a corresponding text input box. Two callout boxes provide instructions: a yellow box says "Fill out this brief form, then click Signup at the bottom. You'll get an email with a temporary password." and a teal box says "Follow the link in the email and login to the Portal. You will be prompted to change your password."
